

Dear Friend,

The Board of Directors of the Community Institute for Psychotherapy is pleased to invite you to lend sponsorship support to an important community-wide event taking place in March 2019: CIP's second annual *Raising Healthy Families* Series for parents, educators, and other community members.

Based on our successful 2018 event, co-hosted by the Marin Office of Education, the 2019 Raising Healthy Families will provide attendees with strategies and tools to overcome the many challenges facing families today. Through presentations by noted Bay Area experts, attendees will gain information that will empower them to help raise children who are curious, compassionate, and resilient.

As a *Raising Healthy Families* Series Sponsor, you will be recognized for your support through a comprehensive multimedia campaign, including your company logo and profile on CIP's website, and promotion through print and monthly online newsletters, press releases, and social media. (Please see enclosed "Sponsor Benefits.")

All Raising Healthy Family proceeds go directly to support CIP's safety-net programs for disadvantaged families and individuals, providing them access to the quality care they need to regain emotional stability and live full, productive lives.

We hope that you will join other businesses and organizations in lending your support as a Sponsor of this important event. Please take a moment to review the enclosed information about the series and Sponsor Benefits. We've enclosed a Sponsor Response Form for your convenience in getting back to us.

Please feel free to contact me at (415) 459-5999 ext. 100 or email rjberenson@cipmarin.org with questions or comments. We look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads "Robin Joy Berenson".
