

COMMUNITY INSTITUTE FOR PSYCHOTHERAPY

Agency Policy & Client Agreement Re: Custody Cases

Community Institute for Psychotherapy (CIP) is a nonprofit organization providing psychotherapy and counseling to individuals, couples, and families on a sliding scale basis for therapeutic purposes only.

In custody cases, CIP recommends that families seek formal custody evaluations by licensed evaluators. CIP does not provide this service.

I understand that the services at CIP are being provided by an Intern-Therapist. The counseling service and all records, notes, and so forth, shall be used for the purposes of therapy only. They may not be used for legal purposes or in custody disputes.

I agree to the above:
